  - Season awards are next Sunday at Aces & Ales after the games. We're doing the end of season awards, we're announcing the division winners, and then the all-star teams for each division. Please make sure you encourage your teams to show up. Aces & Ales always has a good spot for us, and they'll have the big room for us as well. Please go and support one of our league sponsors. Tickets for Aviators Pride Night are on sale, the event is scheduled for June 4th, as a reminder the league gets a little piece of those ticket sales. An email was sent out regarding League Board Member voting; please check with your teammates and players to make sure they received the email. Lowe Division Commissioner winners will be announced at the closing party.

Justin Hager: According to the bylaws right now, the Grizzlies are ineligible to attend the Gay Softball World Series under section 8.11 of the bylaws. I would make a motion that we suspend that bylaw effective immediately in order to allow the Grizzlies to attend. Per the by-law, all league meetings shall be attended by at least one representative of each league team. An executive board member is eligible to represent their team in a board meeting but shall not vote in any capacity as the team representative. In the event that the league team or teams miss 3 consecutive meetings without good cause per participating season, said team will not be eligible for the next International Pride Softball Gay World Series and/or ASANA Series following the consecutive absences. **Rachel Delgado:** Speaking on behalf of the grizzlies, we will not be attending the World Series because we're not interested in doing so. **Justin Hager:** Motion withdrawn.

Theo Stelter: Inquired about the spring season schedule regarding Memorial Day, specifically that we take Easter & Mother's Day off, but why the same process is not followed for Memorial Day. **Nate Carlson:** Memorial Day sometimes ends up as the last week of the season, but sometimes is the weekend before our last week. It just varies with the May calendar. **Theo Stelter:** Would it be possible to make the whole league a buy-week during the Saguaro Cup since there are so many teams from Vegas that generally go to that tournament? **Nate Carlson:** Definitely something to talk about in the future.
